Crawlers/Walkers

This December, our little explorers will embark on a fun-filled journey into the world of nature with our “Green Time in December” theme! Designed especially for toddlers, this program will spark their curiosity and engage their senses as they discover the beauty of the natural world.

Through hands-on activities like sensory play, outdoor exploration, simple crafts, and nature-inspired songs, children will learn about plants, animals, and the environment in a playful and nurturing way.

Each day, your child will develop important early learning skills while enjoying fresh air and fun—connecting with the wonders of nature right in our own backyard!
